

Submission of Filings by State and Local Agencies

As of September 18, 2015, State and Local Agencies may file notices, motions, briefs, and appendices through the Florida Courts e-Filing Portal. Additional information may be found here <http://www.2dca.org/Clerk/e-portal%20info/e-portal.shtml> or at the portal website, www.MyFICourtAccess.com.

Although Agencies are strongly encouraged to file through the portal, the court will continue to accept paper filings from Agencies.

Agency clerks shall continue to file electronic records through the court's FTP server.
